Deputy Principal: Mrs Kathryn Murphy

Holy Well National School

At Holy Well National School we aim to provide a tailor-made primary education experience. We recognise that every child is unique in their abilities and talents and strive to create opportunities where each pupil can reach his or her full potential – socially, emotionally and academically.

Our Infant Academy buildings boast a vast range of facilities, resources and specifically designed classrooms. Our unique purpose created campuses offer a stimulating and encouraging environment for children starting primary school and cultivate a sense of belonging so everyone feels welcome, confident and secure.

Encapsulating our school motto “Meas agus Moladh” (Respect and Praise) we aim to provide a happy, fun-filled, nurturing and caring structure whereby children settle into their life-long learning journey with positivity and enthusiasm. Our Curriculum focuses on a wide variety of subjects, with play-based learning central to pupils’ development and progression.

To ensure that every child receives the best start to their formal education journey, we allocate extra support teachers to our Infant classes. This allows us to engage in small group tuition, identify and attend to individual needs and enables each child to excel to their maximum potential with early intervention if or when needed. We believe home school communication is essential and we continuously support parents with all aspects of their child’s development and learning.

Our top priority is the wellbeing and happiness of each child in our school community. Holy Well NS – where children play, learn and grow together.

Parent Testimonials

-  Friendly, helpful and child centered. They make a fantastic effort for the children at all times.
-  Really strive to create the best experience for children while also providing a fun learning environment.
-  Happy and encouraging learning environment, professional and helpful staff, a fun and safe place.
-  Professional, nurturing, well organised, happy environment, great teachers.
-  Extremely positive and helpful to students and parents.
-  Friendly, welcoming and a great family friendly environment. It's the small community feeling that you get from it.
-  They know each child individually not just as a class.
-  The children are developed in every area from social skills to academic skills.
-  I find the staff really friendly and I feel my child is being well looked after. I find it warm, welcoming and it feels small and safe.
